

Maryam Nasir

Senior Software Engineer

I have 5+ years of experience in web and mobile application development. I have been recognized consistently for excellent problem-solving skills, technical expertise and timely delivery of tasks. With a focus on continuous improvement, I enjoy tackling new challenges and advancing my skills in the fast-evolving world of front-end development.

WORK EXPERIENCE

Software Engineer

Makula Technology GmbH

07/2024 - Present

Achievements/Tasks

- Working as a Front-End Engineer, specializing in React, Tailwind CSS, and TypeScript. Leading the optimization and refactoring of the web application by migrating it to TypeScript and Tailwind CSS, while eliminating unoptimized code to improve performance and maintainability.

Senior Software Dev Engineer

Securiti.ai

10/2023 - 06/2024

Karachi, Pakistan

Achievements/Tasks

- Contributed to the back-end development of a company product, utilizing Java, AWS, and Go.

Senior Software Engineer

Folio3

10/2019 - 10/2023

Karachi, Pakistan

Achievements/Tasks

- Worked as a senior software developer on multiple projects. Developed multiple React JS and React Native applications from start till launch.
- The projects on which I worked include: Menu Inc mobile and web application (React.js, React Native), Thrive web app (React.js), Game Golf web app (React.js), Field Sales App (Flutter), Folio3 Resource Management tool backend (Node.js) and Cargill Dairy Entelligen mobile app (React Native). I also got the opportunity to lead two projects as React front-end development lead.
- Got nominated 3 times for employee of the month award.
- Got 1st position in Code Wars 2021 (Problem Solving, SQL), Code Wars 2020 (Problem Solving) and 2nd position in Code Wars 2019 (Problem Solving). Code Wars is an annual coding competition hosted by Folio3 on HackerRank.
- Delivered multiple sessions on problem solving, and similar topics for the employees and internship students at Folio3. I interviewed fresh graduates, designed screening technical tests, and conducted coding competitions and internship programs for students.

EDUCATION

Bachelor of Computer Science And IT (BCIT)

NED University Of Engineering & Technology, Pakistan.

01/2016 - 12/2019

Awarded merit Gold Medal for getting first position in the department. Graduated with 3.943/4.0 CGPA (98%)

TECHNICAL SKILLS

React.js Next.js JavaScript TypeScript

React Native Redux React Router

React Query React Hooks Jest HTML5

CSS3 Tailwind CSS Python Git SQL

Docker Docker Compose Problem Solving

Web Development ML

ACHIEVEMENTS
